**Training**

Members completed 15 full length courses, 38 external training courses, 1 single course and 27 standard courses. Attended after action review for 2 mutual aide structure fires. All crew participated in ground ladder training and cardiogenic shock training.

**General Information**

Fire Hydrant servicing began in May, all Butler County hydrants will be flowed and lubricated. The City of Hamilton flows and services their hydrants that are in the Township. Began part-time interviews, several candidates being processed. Traveled to Sutphen to discuss an alternative for the replacement of the 2002 Quint. I'd like to thank the citizens for their support on May 5<sup>th</sup>, the Board of Trustees for their support and the

members who devoted their time and effort to see the Levy through!
