**Fairfield Township is seeking to create an eligibility list for
NEW Full Time Firefighter II Paramedic Positions**

Fairfield Township Fire Department in Butler County located in South West Ohio, is seeking to create an eligibility list for the position of Firefighter Paramedic.

The Department anticipates hiring up to 9 full time Firefighter Paramedics in the next 18 months.

Township Trustees are committed to build the increase staffing and add these new full time positions. The department is a combination department. We operate from two stations covering 17.5 square miles. We currently respond to over 3,000 calls for service annually.

As a growing department we are increasing our ratio of full time member to address the ongoing shortage of part time staff availability.

The Department has continued to grow our full time positions. The Trustees have committed to funding the growth of the department.

The Township recently finalized a collective bargaining agreement with our full time staff. Starting Firefighter II / Paramedic's is \$53,045 annually with an excellent benefit package.

The Department also accepts Lateral Transfers.
