As a Fairfield Township Fire Department employee for the last twelve going on thirteen years I feel I have represented this department and community with great respect and integrity. I started my career here and I plan on finishing my career here. I have great admiration for this community and feel very fortunate to be a part of it. With the cost of the paramedic program tuition rising around 40% since the time I have started working here, it has become more challenging to pay for it. If accepted into the Fairfield Township tuition program I would have the financial stability to concentrate all efforts on the curriculum. When I complete the paramedic program, I will be able to provide the residents of this community with more complete care than I can provide now. Again, I plan on serving this community for many more years and would like to provide them with the highest education, skills and care.
