Chief of Police

SUBJECT: Request to Purchase Tasers And Accessories

Mrs. Vonderhaar:

As you are aware, we have three new Officers that are in their field training phase and are in the process of being equipped with required equipment. The Taser, much like pepper spray, is a less-lethal means of subduing suspects which minimizes use of force incidents and is Township-issued required equipment.

Officer Krznarich's Taser will be reissued to one of our new Officers after his retirement on April 27. As our authorized strength has increased by two, we need to purchase the following Taser equipment to properly equip the remaining two Officers (1 Taser is always kept as a backup):

- 2 Tasers
- 2 holsters
- 25 training cartridges
- 10 field cartridges
- 2 targets

I have attached a quote from Vance's Law Enforcement, itemizing the price for the items needed. The total cost is \$3,019.88.

Please let me know if you have any questions.
