RE: 2019 PAVING & RETRACE CONTRACTS

Please submit your list of roads by **October 1, 2018** in order to have estimates completed for the following items of work:

1. Asphalt Paving
2. Chip Seal or Double Chip Seal
3. Black Mat or Microsurfacing
4. Retrace

Specify if you want base repair included in your estimate. Do not include roads that are to be paved in the retrace list. Roads that will be paved are retraced in the paving contract.

Curb repair, culvert replacement and pavement repair that will be performed by your agency should be done well in advance of the start of any contract work.

Final Resolutions will be due February 1, 2019. Resolutions received after will not be included in the 2019 Paving & Retrace Contracts.
