**RESOLUTION NO. 19-123**

**RESOLUTION TO APPROVE PURCHASE PER STATE CONTRACT, NEW GENESIS  
RESCUE EQUIPMENT FROM HOWELL RESCUE SYSTEMS FOR THE FIRE  
DEPARTMENT, IN THE TOTAL AMOUNT OF \$38,184.00.**

**WHEREAS:** The Fire Chief has recommended the purchase of new rescue equipment to enhance the safety and welfare of the residents of Fairfield Township; and

**WHEREAS:** The technology in motor vehicles is constantly changing and keeping our rescue capabilities in the highest level to meet such changes is a high priority; and

**WHEREAS:** The addition of battery-operated equipment will enhance our ability to use the equipment and not require attachment to the engine, thereby allowing for a rapid deployment not limited due to the length of hydraulic lines; and

**SECTION 1:** The Board hereby approves the purchase of Genesis Rescue Equipment from Howell Rescue Systems for the Fire Department in the total amount of \$38,184.00, per State Contract, and included herein as Attachment "A".
