

FAIRFIELD TOWNSHIP
RESOLUTION NO. 19-81

**RESOLUTION TO AUTHORIZE THE PURCHASE OF PLAYGROUND EQUIPMENT FROM
PLAYWORLD TO COMPLETE PHASE II OF THE SHAFER'S RUN PARK.**

WHEREAS: The Administrator has recommended option three as it is the most compatible/complementary and least expensive; and

WHEREAS: State Co-op pricing was used;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of Fairfield Township, Butler County, Ohio, as follows;

SECTION 1: The Board hereby authorizes the purchase of playground equipment from Playworld to complete Phase II of the Shafer's Run Park, attached hereto as Exhibit "A".

SECTION 2: The Board hereby dispenses with the requirement that this resolution be read on two separate days, pursuant to RC 504.10, and authorizes the adoption of this resolution upon its first reading.

SECTION 3 This resolution is the subject of the general authority granted to the Board of Trustees through the Ohio Revised Code and not the specific authority granted to the Board of Trustees through the status as a Limited Home Rule Township.

SECTION 4: That it is hereby found and determined that all formal actions of this Board concerning and relating to the passage of this Resolution were taken in meetings open to the public, in compliance with all legal requirements including §121.22 of the Ohio Revised Code.

SECTION 5: This resolution shall take effect at the earliest period allowed by law.

Adopted: June 26, 2019

To order: Please complete the acceptance portion of this quotation and provide color selections, purchase order copy and other key information requested.

This quote does not include any state or local sales taxes. Sales tax will be added to the order if required, unless otherwise noted.

Acceptance of this proposal indicates your agreement to the terms and conditions stated herein.

US Communities Purchase Orders must be made out to:

GameTime
c/o DWA Recreation, Inc.
P.O. Box 208
Harrison, OH 45030

Once equipment is ordered, the owner assumes that the equipment is being installed according to the ASTM standards for layout and design. Additionally, the owner shall check to make sure that all appropriate fall zones are current and compliant. In the event that the owner has to return the equipment, both inbound and outbound freight will be charged along with a 25% restocking fee.

Installation Terms:

- The above pricing is based on installation over natural earth and does not include any site work, unless otherwise noted on this quote.
- This pricing does not include receiving and storage of the equipment prior to installation.
- Any existing wood chips, asphalt, or playground equipment, in the area where the new structure will be located, must be removed by the owner unless otherwise noted on this quote.
- The play area site would need to be level prior to installation.
- An area will need to be provided for the disposal of excess dirt created when augering holes.
- Access to a dumpster will need to be provided for the disposal of packaging materials.
- The above pricing is based on non-prevailing wage rates.

Please note, you are required by Ohio law to contact "Ohio Utilities Protection Service" at 1-800-362-2764 before any excavation or installation takes place. Because their questions will relate to the location of the site, we ask you to please contact them personally. This should be done within a two week period but not less than four days prior to installation, as they will need 48 hours to mark off the site.

Unitary Rubber Surfacing Installation Terms:

- See product specifications for specific detailed product information, installation information, compliance documentation, and appropriate certifications. Standard warranty included unless otherwise noted.
- Quote is based on the information provided and is subject to change based on final installation unless indicated otherwise, in writing. Any changes or additions to this proposal, will affect pricing.
- Sub-base when provided by others is the responsibility of the owner and/or others. The substrate must meet specifications including drainage and grade requirements.
- There is no demolition or site-work included in the scope of this quote unless noted otherwise above.
- Site access must be a minimum of 25' for trucks and mixer, with no stairs. Irrigation, sprinkler, and/or water systems must be shut off 24 hours before install and remain off until 24 hours after installation is complete.
- Additional charges for downtime/stand-by may be assessed in the event that installation is delayed due to the site not being ready as scheduled or if installation is interrupted for reasons other than those related to weather or general public emergencies.
- Security and waste removal during install and upon completion is the responsibility of the owner, unless noted otherwise above.
- Installations scheduled after 6 months of proposal acceptance may be subject to price adjustments.
- Normal lead time is 4 weeks from order date. However, scheduling and crew deployment is subject to local weather conditions including temperature and precipitation constraints. See appropriate specification for temperature and precipitation constraints.
- The scope of this quote does not include on-site fall attenuation testing, available upon request at additional charge.
