SUBJECT: Donation of X26 Taser Cartridges to Butler Tech

Mrs. Vonderhaar:

As we have transitioned from the old X26 Taser to the new Taser 7, we are no longer in need of our X26 Taser cartridge inventory. While Taser took in our old X26 Tasers as a trade-in they would not take the cartridges. We have been contacted by Butler Tech Instructor Mark Worley who has inquired if we can donate the cartridges to them for training purposes. As these are obsolete to us and as we desire to assist Butler Tech, I would like to donate the 25 training cartridges and 31 operational cartridges to them to be used for training.

A corresponding Resolution will be authored.
