2022 COMPENSATION CHARTS

Compensation adjustments for township officials were amended into Senate Bill 296, which took effect December 27, 2018. The bill provides a 1.75% cost of living adjustment (COLA) that begins in 2019 and extends through 2028. Township officials in office when this law change was made were required to wait until re-election to take their initial increase due to Article II, §20 of the Ohio Constitution, which prohibits in-term pay increases. As of January 1, 2022, all township officials will have commenced a new term since the passage of the bill and are eligible to receive the increase in 2022 and going forward each year through 2028.

Per R.C. §§505.24 and 507.09, township trustee and fiscal officer salaries are based on the annual budget of the township. If you have any questions about the compensation charts, please do not hesitate to contact the State Association office.
