**Mr Chuck Goins :
Fairfield Township Zoning Board :**

Please consider me for a zoning board member as I truly do care about our township and believe I can help make sound decisions and a positive difference.

I bring a lot of experience with dealing with situations that can be difficult at times .

I would welcome the opportunity to meet with the board should anyone have questions.

I am a fairly easy going person but I am able to focus on any difficult tasks that we may encounter . My time in the Coast Guard and Aviation experience and knowledge dealing with different types of people and difficult situations help me make sound decisions. My early years as a mechanic taught me about hard work and using your head to work smarter not harder.

I have only given an outline of my qualifications and education and hope I will join the Fairfield Township Zoning board.

Thank You for your time and consideration,

Michel W Davis
