Article IV. WAGES AND BENEFITS

Section 4.01 Employee Compensation

- A. The Fairfield Township Board of Trustees adopts a pay plan for compensation of Township employees. The purpose of the pay plan is to maintain a just and fair relationship among the wages paid for the various types of work performed in the Township, and to provide for a fair and equitable relationship to the rates for similar jobs in the Fairfield Township community.
- B. All non-exempt employees are responsible for submitting accurate payroll information and the Department Supervisor must review and approve department payroll periods.
- C. All exempt employees shall be required to certify that they have worked the minimum required hours (40 weekly) or used the available accrued leave banks in lieu of work. The Administrator or Assistant Administrator is responsible for approving all Department Head Certifications, the Administrator is responsible for approving the Assistant Administrator's certification and the Fiscal Officer will approve, or appoint an employee of the Fiscal Office, to approve the Administrator's certification.
- D. Applicable federal, state, and local income taxes, as well as retirement deductions are withheld from each paycheck. The Township reserves the right to obey all laws that pertain to paychecks, including garnishments.
- E. Employees shall immediately notify the Township Administrator or their Department Supervisor when a court ordered garnishment has been awarded that will affect the payroll. Failure to notify the Township Administrator or Department Supervisor may result in disciplinary action.

Section 4.02 Overtime

- A. Overtime is generally discouraged and is only for emergencies. The appropriate Department Supervisor or designee must approve all overtime. Scheduled overtime, which is subsequently cancelled, shall not entitle the employee to any overtime compensation.
- B. In the event an employee is required to work overtime and the employee is not a member of a Collective Bargaining Group or is guaranteed some special consideration that adjusts a typical work week or regular hours worked in a specific pay period, that employee shall be entitled to overtime compensation at one and one-half (1-1/2) times their regular hourly rate of pay for all hours

worked in excess of forty (40) hours in one workweek in ¼ hour increments.

- C. Fire fighter overtime shall remain compliant with Fair Labor Standards Act (FLSA).
- D. For purposes of this policy, paid leave time (paid sick leave, personal, funeral, holidays, vacation) shall be considered time worked. Time spent overnight on official Township business shall not be considered time worked for purposes of calculating overtime.
- E. Unless specified otherwise in an employment contract or labor agreement, employees do not earn compensatory time. However, when economic necessity so dictates, the Township may offer compensatory time in lieu of cash payment for overtime worked. Compensatory time must be used, at times agreeable to the employee and the employee's supervisor, within one hundred eighty (180) days of earning, or it will be paid.
- F. Full-time employees who are eligible to work overtime are required to report the overtime worked on their time sheets.
- G. Employees who are not governed by a Collective Bargaining Agreement or by some other stipulation that modifies a typical work week or regular hours worked in a specific pay period, may elect to accumulate Compensatory time for overtime hours worked at the rate of 1 ½ hours for each hour worked up at a maximum of 40 hours. The Employee may elect to use this time in a manner consistent with the Vacation Leave Procedure, subject to Supervisor's approval.

Section 4.03 Expense Reimbursement

- A. Employees of the Township will receive reimbursement for expenses incurred while traveling on official Township business. Employees are eligible for expense reimbursement only when the Board of Trustees, through the Township Administrator or Department Supervisor, has authorized travel. Expenses shall be reimbursed in the following manner.

1. Mileage, Parking, and Tolls

- a. Employees shall be reimbursed for actual miles when a Township vehicle is unavailable, while on Official Township business, at the IRS approved rate in effect at the time of the travel.
- b. Charges incurred for parking at the destination, and any highway tolls are reimbursable at the actual amount. Receipts for parking

costs and highway tolls are required.

2. Meals

- a. ~~Expenses incurred for meals while on official Township business will be reimbursed within the range established by the Board. Meals will be reimbursed upon submission and approval of itemized receipts at actual cost, not to exceed \$50 per day.~~
- b. *All meals shall be reimbursed up to the per diem rates set by the IRS each year for that area being traveled to.*

3. Overnight Trips

- a. Expenses covering the actual cost of a motel room will be reimbursed in full when an employee travels out of the Township on official Township business, and such travel requires an overnight stay. Motel expenses will be reimbursed *in full with a receipt* only with prior written authorization from the Board of Trustees, through the Township Administrator or Department Supervisor.
- b. *All other overnight travel without a receipt for deployment or other training shall be reimbursed up to the per diem rates set by the IRS each year for that area being traveled to.*

- 4. No alcohol or personal items are to be purchased or reimbursed through township funds.

5. Employee Owned or Controlled Benefit (Reward) Cards

- a. Employees shall not be permitted to use Benefit or Reward Cards to personally accumulate cash or anything else of value for or with the purchase of items or services used in conjunction with the Township Operation unless pre-approved by the Township Administrator. Employees shall be permitted to use the Benefit or Reward Cards to upgrade Township travel accommodation or other services that do not result in any additional expense to the Township

Section 4.04 Retirement Plan

- A. Most Township employees and full-time police officers are required by law to participate in the Ohio Public Employees Retirement System (PERS). Eligible employees are required to contribute a percentage of their gross pay, deducted each pay period, as determined by the PERS.

- B. Full-time firefighters are required by law to participate in the Police and Firemen's Pension Fund (PFPF) or the Ohio Public Employees Retirement System (PERS). Eligible employees are required to contribute a percentage of their gross pay, deducted each pay period, as determined by the PFPF or PERS.
- C. These plans, (PERS & PFPF) are independent of the Federal Social Security System. Information on these retirement plans may be obtained by contacting the Township Administrator. If an employee has any further questions regarding the benefits available under these plans, the employee may contact the following:

Public Employees Retirement System

Section 4.05 Occupational Injury Leave

- A. In lieu of Workers' Compensation, an employee who suffers from a service-connected injury or illness incurred during and arising out of employment with the Employer shall be eligible for paid injury leave. Injury leave shall be available for up to seven hundred twenty (720) hours.
- B. To be eligible for this leave, the employee shall apply to BWC for medical benefits (but not lost income benefits) and the claim must be allowed, or otherwise compensable, by BWC. The employee may apply for lost income benefits toward the end of the injury leave if it is known that the absence will continue beyond the paid leave, or the leave may be extended at the discretion of the Administrator. The employee may utilize sick time or other approved leave of absence to supplement Workers' Compensation benefits. During the seven hundred twenty (720) hour absence, the employee shall not be charged sick time.
- C. The Employer has the right to review the employee's physical and mental status every thirty (30) days of absence in order to determine the employee's ability to return to work. In the event of a difference of opinion as to the employee's mental or physical status between the employee's physician and the Employer's physician, the issue shall be submitted to a third physician mutually selected by the employee and the Employer from a list submitted by the Academy of Medicine of Greater Cincinnati. The decision regarding the ability of the employee to perform his regular duties shall be final and binding on both parties. The employee and the Employer shall equally pay the services of the third physician.

- D. The seven hundred twenty (720) hour injury leave is available for each distinct, separate injury or illness. Reoccurrence of the same injury/illness and/or follow-up medical treatment related to the original injury/illness shall be charged to the original seven hundred twenty (720) hours.
- E. Employees on approved injury leave paid by the Employer remain in active pay status and earn sick leave during the leave. Employees on Workers' Compensation lost income benefits are not in active pay status and do not earn sick leave or other benefits.

Section 4.06 Insurance

- A. The Township may make available health and hospitalization insurance with supplemental benefits to its full-time employees.
- B. The determination of carriers and/or method of providing insurance is the responsibility of the Board of Trustees. Employees will be notified of any change in carriers or methods of providing insurance.

Section 4.07 Health Insurance Coverage Following Separation

- A. The Township Administrator or designee shall inform the employee of their right under COBRA to continue coverage under the health insurance group after cessation from payroll through the assumption of premium costs. The employee's spouse, and/or dependents may also be eligible. The following is general information on how COBRA works. (Specific information may be obtained from the Township Administrator or designee).
- B. The continuation period is thirty-six (36) months for:
 - 1. Children of current employees who lose eligibility because of age;
 - 2. Surviving spouses and children of deceased employees; and
 - 3. Separated, divorced, or Medicare ineligible spouses and children of current employees.
- C. The eighteen (18) month continuation option applies to employees and their dependents when coverage would otherwise end due to:
 - 1. Reduction in work hours;

2. Voluntary termination;
 3. Layoff for economic reasons; and
 4. Discharge for misconduct (other than gross misconduct).
- D. Persons eligible for such continuation of group coverage have sixty (60) days from the date that coverage would otherwise end, or the date they are notified of the continuation option, whichever is later, to elect such coverage. Individuals who choose to continue group coverage, will be required to pay the monthly premium.
- E. Coverage may be extended from eighteen (18) to twenty-nine (29) months for those persons deemed to be disabled under the Social Security Act at the time of separation. The beneficiary must notify the Township Administrator of the qualification during the first eighteen (18) months.
- F. Such continued coverage will end if:
1. The group terminates all health plans offered to employees;
 2. An individual covered under this provision becomes eligible for another health plan due to reemployment, marriage, or attainment of Medicare eligibility;
 3. Premium is not paid.
- G. The notice does not change any other terms of the group coverage.
- H. The employee, spouse, and/or dependents will be responsible for the total premium payment; and the Township reserves the right to add a two percent (2%) charge for administrative costs.
- I. Questions and/or requests for more information should be referred to the Township Administrator or designee.

Section 4.08 Tuition Reimbursement Policy

- A. In order to encourage more professional development, the Township offers a tuition assistance program to eligible non-union employees who complete college or other educational courses with a passing grade or certificate of completion if no grade is provided for the course.*
- B. To participate in the program, the employee must be a full-time or part-time regular employee who has completed one year of employment or who is approved or directed*

by the Board to participate in this program.

- C. College or other educational tuition assistance must be submitted and approved prior to registration for the course. The employee, after presenting documentation to the Township Administrator demonstrating satisfactory completion of the course, will be reimbursed for fees or tuition costs as specified in this policy.*
- D. The Township shall not pay/reimburse for the costs of college textbooks or supplies. Educational tuition assistance may not exceed \$5,000.00 per calendar year per employee. The Township shall only pay/reimburse for the cost of one course per semester/quarter. A part-time, regular employee will be reimbursed proportional to his/her percentage of regular hours scheduled during a normal work week of 40 hours. For example, a part-time, regular employee scheduled to work a 30-hour work week will be reimbursed 75% of their cost of tuition.*
- E. For job-related education and/or training assisted by the Township Administrator or the Board of Trustees, the Township will pay the following expenses:*
 - 1. Registration/course and fees*
 - 2. Travel and meal expenses as set forth in Section 4.03 of this manual*
 - 3. Manuals and supplies included in the registration fees*
- F. If an employee receives any tuition assistance from the township, then the employee must commit to working for the Township for a three-year period after reimbursement is received. If the employee leaves prior to the end of the three-year period, then the reimbursement must be paid back to the township in prorated amounts. For example, if the employee leaves employment within the first year, the employee would owe the township in the amount of 75%; within 2 years 50%; within 3 years 25%.*
