

Monthly Activity Report

March 2020

Answered phone calls from residents and dealt with accordingly.

Did monthly stormwater and playground inspections.

Cold patched various areas within the township.

Assisted A-1 with backflow testing. Pit in front of police department was full of water due to sump pump malfunction.

Sump line repair at 6418. Used camera to find a root had punctured our line. Left it open so homeowner could have their line cleaned. Afterwards re cleaned our line any closed ground.

Opened restrooms for the season. Found leak at police department and had it repaired before the shutdown of parks.

Secured playground, shelters, bathrooms, locked tennis courts, and removed basketball hoops from both parks.

Being very cautious about the cleanliness of meeting area and cleaning daily.

Started the first mow and trim of all the parks and walkways within the township.

Applied half of the 160 tons of ballfield dirt to field one and half of field two. Scheduled the second 80 tons for delivery for the rest of field 2 and field 3.

Received three new bleachers for park and assembled. Marked places to be installed.

Marked places for extra benches acquired from playground renovation last year. With forethought of placement of three others when playground at administration is completed.

Removed five pear trees from park that have slowly been leaning toward Millikin and wires.

Took some overhead shot of the park ballfields in varying points of repair.

Checked pipe on Greenlawn road as it runs under route 4 for the pending spring storms.
