

Monthly Activity Report

June 2020

Answered phone calls from residents and dealt with accordingly.

Did monthly stormwater and playground inspections.

Mow and clean parks as needed.

Drag ballfields weather permitting.

Installed mulch around playground areas where the concrete had become a trip hazard.

Repaired picnic table where someone had broken off the leg.

Installed berm box to truck to berm portions of Morris road that people had been driving off road.

Removed bushes and planted grass at station 211 per fire chief.

Flushed sump line on Stockbridge where the fiber optics had been pushed through residents' line to the curb.

Exposed problem area of resident's sump line to find it was their responsibility then later filled the opening after their repair was made.

Started our annual crack sealing program.

Made repairs to drinking fountains at both parks and now have the one at concession stand ready to pour concrete.

Discovered the problem with pipe on Dust Commander and found the pipe is in need of repair. Due to the depth and the electric lines we have been in contact with a company to make said repair.

Repaired ditch on Morris to prevent the flooding of resident's yards and washing over the road.

Installed signage for pocket park as determined by BCEO.
