

## Monthly Activity Report

JULY 2020

Answered phone calls from residents and dealt with accordingly.

Did monthly stormwater and playground inspections.

Mow and clean parks as needed.

Drag ballfields weather permitting.

Installed signage for the updated equipment installation.

Cleaned the concrete ditch off of Jayfield.

Met with contractor for the pipe repair on Dust Commander, where the pipe has settled and twisted creating a sinkhole in residents' yard.

Finish the installation of drinking fountain at concession stand.

Finished with Annual crack sealing program throughout the township.

Rebuilt catch basin on Autobahn.

Continue the training for Trevor's upcoming CDL test.

Repair sump line on Conner ct.

Delivered poles to be installed at administration building that had been stored at shop.

Removed the lid from catch basin on Echo Springs due to letting soil fall through leaving holes in residents' lawn. Re-mortared and re-set.

Rebuilt catch basin on the opposite corner of Echo Springs.

Called out on 7/27 for a tree down on Fernway. Returned 7/28 to clear brush from fire hydrant.

Trim back tree limbs at Greenlawn and Rt 4 due to sight distance problems.

Installed cove molding at administration building.

Paint and replace flooring in the kitchen at administration building.

Use side trim mower throughout the township.

Repaired berm on Morris where people had been driving off the road.
