

## Monthly Activity Report

May 2020

Answered phone calls from residents and dealt with accordingly.

Did monthly stormwater and playground inspections.

Mow and clean parks as needed.

Drag ballfields weather permitting.

Started repair on drinking fountain at concession stand. Found several spots that had ruptured do to not being used for several years.

Re install plaque that was removed from inside of lobby to the outside of building.

Dealt with several calls from residents having sump line issues.

Closed Greenlawn road during storm due to floating sewer lids in middle of road.

Started our annual roadside mowing.

Installed new park signs at the pocket park. Also removed graffiti from equipment.

Dealt with a sump line issue where they pushed a fiber optics cable though his line. He had it repaired but needed us to confirm no further damage. Found some pea gravel in line, flushed out our line using the water pump configured to our water tank.

Met with county engineers about a 36in pipe crossing Dust Commander that has sunk creating a problem with sink hole near an electric transformer.

Conduct interviews for replacement employee.

Started the mounting process of bleachers in dugout area at ballfields.

Removed dead tree from back of Administration park.

Had repair made to locking mechanism on women's restroom door. Wasn't unlocking along with the others.

Begin working on annual crack seal list along with next year's paving list.
