## TOPICS OF INTEREST:

- Darrell Prewitt, Community Resource/Crime Prevention Specialist, took part in speaking during the 2021 Transition Bootcamp Virtual Conference. This conference, organized by the Cincinnati Children’s Hospital Medical Center, had a target audience of families with family members who have autism or other disabilities as well as those professionals who work with those who have disabilities. The learning objectives were recognizing the importance of being engaged with law enforcement, direct support in proactive safety planning so that youth and adults with IDD can successfully navigate their communities, ideas on how to engage local law enforcement to ensure safety in crisis situations, and proactive strategies to support individuals with disabilities in their encounters within the community.

Darrell collaborated with Rachel Miller, Communications Coordinator for UC Center for Excellence in Developmental Disabilities and Anne Tapia, Regional Autism Advisory Council Coordinator for Southwest Ohio.

Darrell’s presentation included discussions on Smart911, Text911, and crime prevention safety tips.

- Police Clerk Anita Snyder resigned following 16 years of service to the community. Anita started volunteering here at the PD upon completing the 2<sup>nd</sup> annual Citizen Police Academy in 2004. She then went part-time in Records and later full-time. Anita was a valued employee with a wonderful personality and enjoyed helping others.
- Officer Adam Green was sworn in as our newest police officer at the January 13, 2021 Trustees Meeting. Prior to working here at the township, Green was employed by the Butler County Sheriff's Office and served as a corrections officer in the jail.
- Two of the four police cruisers purchased in early 2020 are outfitted and went in-service in the past week.
