

Fire Department

MONTHLY REPORT

February 2021

IN THIS SECTION:

- + Run Statistics
- + Public Relation Details
- + Training Subjects
- + Inspections
- + General Activities

This monthly report period is thru January 31st, 2021. Below you will find specific items that the fire department does each and every day. We take pride in providing an outstanding service to our community.

Run Statistics

Incidents are categorized by either a fire incident or EMS incident. Below you will see the incident totals thru January 31st. You will also see the comparison of incidents from this year and the mutual aid received and given.

Incidents thru Jan 31st

Type	Total
Fire	79
EMS	200
Total	279

Same time last year

Type	Total
Fire	66
EMS	177
Total	243

Mutual Aid

Type	Total
Given	29
Received	8
Total	36

Mutual Aid same time last year

Type	Total
Given	10
Received	4
Total	14

As a result of the statewide continuing quarantine we believe our call volume will remain reduced. I do believe as we see things begin to reopen our call volume will also return to normal levels.

As we continue forward in 2021, we will continue our efforts to meet calls for service. We look forward to working with our neighboring departments as we partner together to meet the needs of our communities. Mutual Aid continues to be a cost-effective means for all area fire departments to deal with surges in requests for service. We all try to maintain resources capable of meeting our average needs. However, we all need to have in place a plan to address unexpected requests.

Public Relations

We have suspended all public relations events and efforts as we continue with the response to the Corona-19 Virus. Members have been taking extra precautions when dealing with patients in an effort to prevent the spread of this disease. This suspension will continue until such time as it becomes safe to return to more interactive operations.

Training

Every day we have training scheduled. These trainings are predetermined by the training division. We have day shift training and night shift training therefore every member receives appropriate training hours throughout the year. This also helps to keep our ISO rating favorable. Training has returned to hands on operations. As we work to return to more normal operations, we have begun to get crews back to hands on operations.

We are also working diligently with our new hires to complete their training packets (Blue Book). We have continued our efforts to recruit and hire additional staff members. We are working to complete the process for hiring them.

Fire Prevention

- ✚ All Inspection activity continues to be suspended and will resume when current conditions are resolved, and members can again move into the public without significant risk. We have continued to complete plan reviews and a couple of final inspections for new businesses to assist them in getting approved to open up.
- ✚ Chris Ferguson is currently working to rebuild our inspection database. This should help us to be prepared as we begin to resume fire safety inspections on our businesses.
- ✚ We are working to host an inspector training program in 2021.

General Activities

Each shift the duty crews are required to maintain station and equipment appearance, cleanliness, and readiness. Below is a list of items that are completed daily and weekly.

Daily Station and Weekly Station Details:

- | | |
|---------------------------------|-----------------------------|
| ✚ Vacuum all carpets | Clean apparatus |
| ✚ Mop all floors | Inventory all EMS apparatus |
| ✚ Remove all trash from station | Inventory EMS equipment |
| ✚ Laundry | Clean bay floors |
| ✚ Clean all restrooms | Ground maintenance |
| ✚ Clean kitchen | Clean equipment |
| ✚ Equipment check-in | Station Maintenance |
| ✚ UV Disinfection Procedures | |

TYPE	AMOUNT
FIRE	7
EMS	200
HAZ CONDITION	5
SERVICE CALL	22
GOOD INTENT	34
FALSE ALARM	18
MISC/Weather	1

COVID – 19

We continue to work closely with the Butler County EMA and have continued to draw supplies from the supplies at the fairgrounds. We currently are restricted to ordering only 5 boxes of gloves per week from our vendor. We are fortunate that we can pull additional supplies from the reserves.

We continue to support the Butler County Health Department Vaccination PODS currently being held at the Fairgrounds.

Air & Surface Disinfection for EMS

We continue to disinfect both our buildings as well as the Ambulances with the new UV Light Systems to assure we use them safely and effectively to decontaminate about our facilities as well as our equipment.

We assisted the Butler County Coroners Office with disinfecting their vehicles with our UV System.
